In Dedication

The Comet Staff of 1973 respectfully dedicate this yearbook to a highly respected Webber teacher, Mr. Calvin H. Mott. Mr. Mott teaches contemporary problems and vocations and has been a popular Webber instructor for the past five years. During these years he has endeared himself to Webber students as a very able and dedicated teacher.

Married for the past four and one-half years, Mr. Mott and his wife Jane are the proud parents of Katie, their lovely three-year-old daughter. Mr. Mott who is 26 years old also has one sister. His parents own a farm in Oxford, Michigan. He was born in Oxford and lived there until his marriage. He attended Tucker's Corner School, a one-room country school, and Lapeer High School where he graduated in 1965. He attended Central Michigan University for four years (1965-1969). He received his BA degree in political science with a minor in economics. Since graduation he has been working on his thesis in political science. He hopes to finish his paper next year for CMU.

While in college he participated in many activities. He was a justice on the CMU student court and was appointed chief justice for one year. He was a member of Phi Kappa Tau, a CMU social fraternity. He had numerous part-time jobs while attending college and worked summers for his father on the farm. By graduation he had become very adept at waiting on tables and driving a gravel truck.

Mr. Mott came to Webber Jr. High following his graduation from CMU. He has also spent two summers working in the recreation program for Zilwaukee and last summer he attended Central Michigan full-time while studying for his master's degree.

His hobbies include bowling, golf, and bridge. He enjoys traveling and hopes to see the United States over his summer vacations. He also considers his coaching as more of a hobby than a job because of the enjoyment and rewards that it brings.

While at Webber he has been active in the Saginaw Education Association, the local teacher organization, and was building representative for one year. He has coached football for three years, swimming for two years, and was assistant track coach this year.

Members of the 1973 Comet Staff are exceptionally proud of this very able member of our Webber faculty. We wish this very fine member of our staff continued success. He deserves the very best.

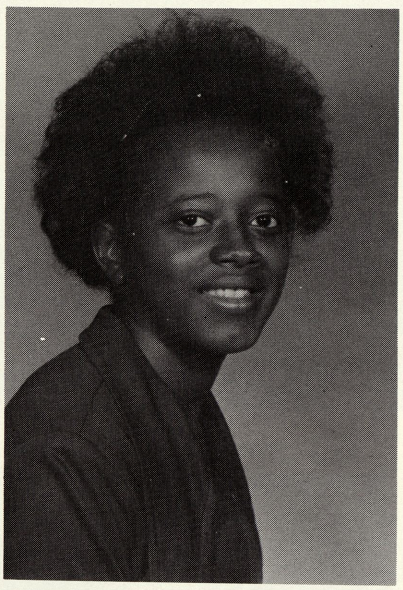
In Memoriam



IN MEMORY OF JUDITH E. DAVIS
by
Barry Johnson

3128 Bundy... Saginaw, Michigan. Passed away Saturday, June 10, 1972 after a brief illness. Age 14 years, she was born July 31, 1958 in Saginaw. She is survived by her mother, Mrs. Fannie Davis and three sisters, Miss Annetta and Cherilyn Davis, both at home, and Mrs. Carol Shivers.

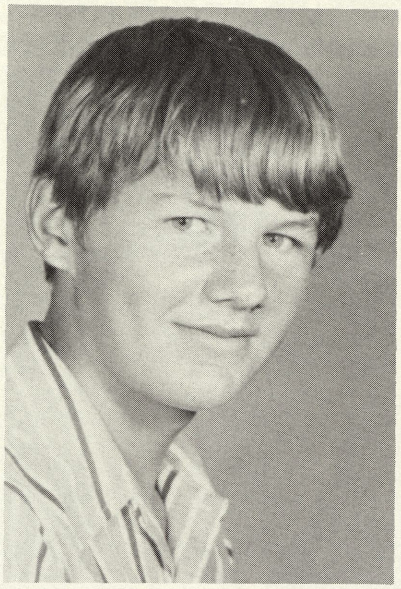
Judy was the type of girl that everybody liked and loved and was very easy to get along with. She was an all A and B student in the eighth grade here at Webber Jr. High. She was also a member of the Eighth Grade Girls' Volleyball Team.

Here is one of the scriptures that I thought was very true:

So, live that innumerable caravan,
which moves to that mysterious realm,
where each shall take his chamber,
in the silent halls of death.

Thou go not like the quarry slave at night,
scourged to his dungeon but sustained and soothed,
by an unflattering trust approach thy grave,
like one who wraps the drapery of his couch about him,
and lies down to pleasant dreams.

In Memoriam



IN MEMORY OF DENNIS COLBATH

4107 Webber Street...Saginaw, Michigan. Passed away Sept. 3, 1972 after a brief illness. Age 14 years, he was born Feb. 27, 1958 in Saginaw. He is survived by his parents, Mr. and Mrs. Donald Colbath, and four brothers: Donald, David, Danny, and Doug, all at home.

He was on the Webber Track Team last year. He won a small W for participation and received a certificate for the team's city-wide championship. He was also a friendly, reliable Saginaw News carrier.

Dennis was diligent in his classwork and was highly respected by teachers of Webber and fellow classmates.

"LIFE"

The word life is actually a very simple four letter word, but the word has many different meanings. To some people it means a dull routine of going from their home to work and back again. Then others feel life is full of adventure for them, but really what is life? Nobody can give a good definition of the word. In the dictionary it says life is being alive such as an animal or man but is this the true meaning?

An average persons life is about 75 years. Even though it seems like a long time it is really quite short. So, you should live your life to the fullest extent, because you only have one chance at life.

Webber Jr. High School

WEBBER JUNIOR HIGH HISTORICAL HIGHLIGHTS

Webber Junior High was opened in 1923 with an enrollment of 470. In 1937, it was reorganized as an intermediate school. Shop and gymnasium units were added. In 1937, because of an increased enrollment to 1400 pupils, two units were added through federal aid. The P. W. A. granted $74,331 for additions to the school and equipment. The grant covered 45 per cent of the total cost.

Dedication ceremonies were held in the fall of 1960 for the completion of a new addition. This included an auditorium with a seating capacity of 720. Other new areas were a choir room, classrooms, a band room, community room, and a kitchen. The cafeteria is equipped with folding tables to seat 160 but has a capacity of 320. There are 15 showers in the boys' locker room as well as an athletic drying and storage room. The portable classrooms (two) were once additions to the junior high grounds. Due to decreased enrollment they have now been removed.

On May 14, 1958, the White Pine was established as the state of Michigan's official tree. One of the leading roles was taken by Mrs. Mabel DeFere, now deceased, who in 1955 originated the idea and was successful with the cooperation of Saginaw County's then state representative, Holly Hubbell, in steering a law through the state legislature officially naming the tree.

Webber Junior High today has a staff of 46 teachers and three administrators. Mr. Robert Crane has been principal since 1972. Mr. Thomas Barris serves as assistant principal in charge of curriculum and Mr. Arthur Anderson is assistant principal in charge of pupil personnel.

At the present time Webber has an enrollment of approximately 900 students and has a staff of 46 dedicated and experienced teachers with 42 rooms and an offering of 37 different classes for Webber students.

In the past we have had as principals Mr. A. B. Haist from 1923 to 1954, Mr. Dwight W. Stevens from 1954 to 1967, and Mr. John D. Parr from 1967 to 1972, and now Mr. Robert Crane who became principal in 1972.

Note: The journalism class would like to thank Mrs. Pauline Howell, secretary, and Mr. Thomas Barris, assistant principal, for helping us get the information for this historical review.
